

Become a Pack Leader!

How to make more tails wag from any location!

Helpful Tips for Pack Leaders

- Gather a group of pups and people to join your Sandy Paws Pack!
- Register as a Pack Leader with COA or [online here](#).
- Pick a beach, park, or favorite location for your Pack as well as a fun name.
- Set a date and time for your walk.
 - We recommend the morning of Sept. 24th so that your pack can join the main group at the After PAWty which will be held at the Wonderbar in Asbury Park from 12pm-3pm. There will be drink specials, prizes, and giveaways for all Sandy Paws participants and packs!
- Ask your Pack participants to register online and create a fundraising page.
- Share your Pack with your community through COA's Sandy Paws posters, postcards, and social media pages. All print materials will be provided to you and available online.
- Host a cleanup during your walk and make a positive difference for the environment.
- There is no minimum or maximum amount of participants in a pack, the more dogs the more fun!
- Have a great time!
